Season of Creation (1st Sep-4th Oct): A Season for "Living Water"

The "Hidden Thirst" of Artificial Intelligence Current AI models and the hardware supporting them use much energy and water, contributing to carbon emissions and straining the world's natural resources. As we celebrate "Living Water", let us reflect on how our digital uses might contribute to the "tears of creation" and seek ways to live with greater digital sobriety.

PRAYERS AND REFLECTION

Pope's Prayer of Intention for September 2026

FOR THE CARE OF WATER

Let us pray for a just and sustainable management of water, a vital resource, so that everyone may have equal access to it.

Parish Prayer

Heavenly Father, we come before You to praise You and to thank You for the great gift of our parish and the community we have here.

Holy and just God, we thank you for touching the hearts and the life of each parishioner. Keep us from pure self-serving behaviour and stir us to serve people who are most in need of your mercy.

Lord, grant that each family might live their specific vocation to holiness in the Church as a call to become missionary disciples, in the service of life and peace, in communion with our priests, religious, and all vocations in the Church.

Amen.
